Reports

1. Director, Megan Murray – re Christmas Street Light Repair/replacements
 - Megan has been in contact with a lighting company regarding the missing/broken lighting in the downtown
 - Peter Street is the most severely depleted of lighting, and we should look at focusing the money this year to fixing up their section of lights

Recommendation

THAT, the Downtown Orillia BIA Board of Directors approve Megan Murray, Director, to engage the services of North Pro Home & Cottage Services to replace/repair the lights in the trees on Peter street as per their quote dated November 22, 2023 for a maximum of \$5,000
